ADDENDUM

19th October, 2022

To: All bidders

REF: CLARIFICATION SORT FROM TENDER NO NPSC / OT / TO3 / 2022 - 2023

Following a clarification sort by a potential tenderer National Police Service Commission issues this addendum in order to clarify on issues raised as summarized in the table below:

No.	Reference in the Tender Document	Response
1.	Does the scope include the initial advertisement for the position, and in which Dailies?	The Client (NPSC) will advertise and NOT the bidder
2.	The scopes talk of hard-copies. Where would these be delivered or sent?	The hard copies will be delivered to the address of the consultant provided in the job advert.
3.	How does the Consultant prove evidence of printing infrastructures under technical evaluation criteria in the event the firm has inhouse printing equipment?	Attach document to proof ownership of printing machines or a lease agreement with printing firms

As a result of these clarification the closing date has been changed to 01/11/2022.

All other terms and conditions remain the same.
